

## Fine Dining Furniture

**Upmarket restaurants** and **hotels** set themselves apart by offering an exquisite dining experience for their customers. They commission the best chefs, who create unforgettable meals, and hire staff who provide exceptional service.

This attention to detail is carried through to the ambience and décor of the dining area too. Smart restaurateurs know that an important part of the dining experience is the look and atmosphere of the room, which 'sets the scene' for the meal itself.

And a key part of the whole dining experience is, of course, the furniture which needs to complement the interior design and provide a luxurious setting for diners.

Warner Contracts Ltd offers a growing range of high quality commercial furniture suitable for fine dining venues and our expert and friendly staff can work with you to help create the perfect look and feel of your restaurant.

Customers need to be comfortable when they're sitting down to a gastronomic experience. And we have a great range of **fine dining chairs**, armchairs, and bar stools that not only offer luxurious comfort - they also look fabulous. We also stock a wide range of commercial restaurant tables.

We hold an extensive collection of fine dining chairs and tables in stock and can deliver quickly in 3-5 working days. We also offer a 24-hour express delivery service when required.

If you're looking for a more bespoke solution then you can choose from our wide range of bespoke furniture. Our selection of fully upholstered bespoke fine dining chairs ranges from traditional designs that will suit formal restaurants, through to superbly contemporary styles that will help add excitement to your interior design.

Our contract quality faux leather upholstery comes in a choice of 21 colours - from burgundy and grey to turquoise and purple - and we also offer 12 great wood stains for chair frames and legs. We are also happy to work with your own upholstery material to achieve a higher level of customisation.
